There will be no additional expenditure so far as his pay is concerned as no substitute will be appointed for him. As regards T.A also it seems there will be no additional cost to Govt as he will draw T.A even if he were on duty. For orders whether

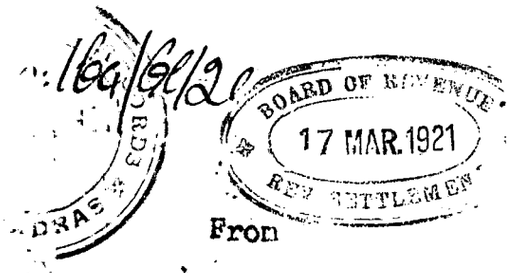
Ref. C. No.243--21--E--4.

South Kanara Collector's Office,

Mangalore, dated 7th March 1921.



From

Collector of South Kanara.

Survey:-- Second training---Application for concession--

B. Ganapathi.

B. Ganapathi, a Revenue subordinate, who underwent -- training at the Survey school held at Mangalore from 1st November 1920 to 12th December 1920, has been declared by the Assistant Director of Land Records not to have attained sufficient -- knowledge in chain survey and has been selected for a second -- training at Coimbatore this year. He states that his failure was due to his absence from the class for 8 days (i.e. from 24.th November 1920 to 1st December 1920 both days inclusive) and requests that he may be trained again at Government cost. He has produced a medical certificate which shows that he was ill with a wound (septic) of the right foot and was under treatment from 24th November 1920 to 8th December 1920. He was therefore unable to undergo the full three weeks' independent course which commenced from 23rd November 1920. He thus -- lost more than half the opportunity of gaining complete -

experience in identification and survey which occupied the --- first two weeks of the independent course. He is a Probationary Revenue Inspector and no substitute will have to be appointed ---- when he goes for survey training. I recommend that as a --- special case sanction may be accorded for his second training at Government cost. As the survey class will begin about the 18th proximo I request early orders.
